### The Property

Entering the property via the entrance lobby on the ground floor we find a space for our coats and boots before the staircase rises to the first floor landing. To our left we find the impressive master bedroom enjoying a view over the garden and boasting a large built in cupboard space. Stepping over the landing we enter the open-plan living, dining and kitchen area. This generous room commands a view of the historic Buttercross and Town Centre from a large sash window that fills the space with natural light. A room divide offers a subtle break between the living and kitchen areas behind which a range of fitted units boast a fitted oven, hob and extractor whilst space for our washing machine and fridge freezer are made. From this large room a second staircase leads us to the upper floor landing where we find the second double bedroom which extends into the eaves space. Adjacent the shower room boasts a shower, wash basin and w/c. This completes the accommodation.
