THIS IS PROBABLY ONE OF THE FINEST PROPERTIES SITUATED ON BEESTON FIELDS DRIVE, PROVIDING FIVE DOUBLE BEDROOMS, OPEN PLAN LIVING SPACE AND FOUR RECEPTION ROOMS, LOCATED ON A PLOT WHICH IS APPROX AN ACRE IN SIZE WITH A TENNIS COURT TO THE RIGHT OF THE HOUSE.

Robert Ellis are pleased to be instructed to market this stunning detached family home which was originally built in the 1930's, and approximately 8 years ago was extended and re-modelled to create a highly appointed home which we feel ideally suits today's family living. The property is positioned on a plot which is approx. an acre in size with the main gardens being at the rear and these are southerly facing and overlook Beeston Fields Golf Course. There is also a full size tennis court positioned to the right of the house and although there is no planning permission in place, we believe this is a potential building plot to construct a substantial individual detached home.

Beeston Fields Drive is probably one of the most prestigious addresses in Nottinghamshire which over recent years has seen many of the original houses re-developed to create beautiful individual homes. With the Drive being accessed from both Wollaton Road and Cow Lane, there is easy access to all the amenities and facilities provided by Beeston and the surrounding area and to excellent transport links, all of which have helped to make this such a desirable location for people looking for a larger individual home in a highly regarded location to the West of Nottingham.

The property has been occupied by the same family since the 1950's and has an attractive facia brick to the external elevations under a pitched tiled roof to the main property. When the property was re-designed and extended it had a new heating system installed, was re-wired and had high quality Robert Edwards aluminium composite double glazing installed and now provides a home which is ready to move into without having to carry out any work.

Being entered through a bespoke solid oak front door, the accommodation includes a reception hall with oak flooring, a cloakroom and ground floor w.c. off the hall, a lounge with sliding double glazed doors to the gardens, a study, sitting room, again with sliding double glazed doors to the garden and the open plan exclusively fitted and equipped living/dining kitchen which has hand-made Shaker style units finished in Farrow and Ball inchyra blue and shaded white, granite work surfaces and integrated appliances and there is a utility/laundry room and a store room off the kitchen and a further sitting room/snug connecting to the kitchen.

To the first floor the landing leads to the five double bedrooms, the master bedroom having a full bathroom en-suite including a stand-alone bath and a separate walk-in shower, two further bedrooms have new en-suite shower rooms and there is the family bathroom with a mains flow shower over the bath. Outside there is a double garage and 'in and out' drive and lawn at the front, the tennis court is situated to the right of the house and the southerly facing gardens have a patio extending across the rear of the house with steps leading to the lawns, which have established borders to the sides, there is a wild garden and orchard area and hedging to the boundaries with an open aspect at the rear over the golf course.

The property is only a few minutes drive away from Beeston where there is a Sainsbury's, Tesco and Aldi stores as well as many other retail outlets, there are local schools for all ages within easy reach, with the Nottingham high schools and The Elms and Trent College in Long Eaton only being a short drive away, there are healthcare and sports facilities which include Beeston Fields and other golf courses, the Nottingham University and Boots are only a few minutes drive away and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Beeston, Nottingham and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
