Price guide £750,000

13 Belvedere Avenue, Clayhall, Essex IG5 0UE

PRICE GUIDE £750,000 - £800,000 - CHAIN FREE - An exceptional opportunity to acquire this substantial, double-fronted four-bedroom family home, occupying an enviable corner plot on one of Clayhall's most desirable residential turnings. Offered to the market chain free, the property combines generous, well-balanced proportions with genuine scope to extend and add value: architectural plans have already been drawn up for a four-metre rear extension and a loft conversion, presenting an incoming purchaser with a rare, ready-made path to create a truly outstanding home (subject to the usual consents). The accommodation extends to four well-proportioned bedrooms, two elegant reception rooms and two bathrooms, while a detached garage to the rear provides secure parking and valuable additional storage. The position is a particular draw for families, falling within the catchment of some of the borough's most respected schools — including the highly regarded selective Ilford County High School just moments away, along with Caterham High School and a choice of 'Good'-rated primaries such as Gilbert Colvin, Mossford Green and Clore Tikva. Central line services at Barkingside, Fairlop and nearby Gants Hill place the City and West End within comfortable commuting reach, while everyday essentials are superbly served by Sainsbury's, Co-op and the established shopping parades of Barkingside and Gants Hill, with green open space at Claybury Park and Fairlop Waters Country Park close at hand. A rare blend of space, position and potential — early viewing is strongly advised.
