Set back from the road can be found this two double bedroom bay fronted semi detached house.

This traditional property has had some recent refurbishment with a brand new fitted kitchen and bathroom installed. It has been redecorated throughout and offers a blank canvas for the incoming buyer to put their own mark upon it. Gas centrally heated from a gas fired combination boiler.

The accommodation comprises entrance hall, lounge, separate dining room open through to a fitted kitchen. A rear porch gives access to a WC. Rising to the first floor, the landing provides access to two double bedrooms and a bathroom with a brand new suite.

Off-street parking is provided at the front and the property enjoys particularly good size and relatively private rear gardens with lawns, mature shrubs, a summerhouse and terraced area at the foot of the garden.

Situated in this highly regarded suburban village, Trowell has its own primary school and is close to open space and countryside. Far from being isolated, the property is on a regular bus service linking the local towns of Ilkeston, Stapleford and Long Eaton, as well as Nottingham city centre. All three neighbouring towns have a good variety of shops and facilities. Local amenities in Trowell include a Post Office with village store, the Festival Inn and Morrisons Local.

Offered for sale with NO UPWARD CHAIN and immediate vacant possession. We believe this property will be ideal for first time buyers and young families.
