£230,000

Westborough Way, Anlaby Common, Hull, HU4 7SN

A very desirable greatly extended semi detached house enjoying a larger than average position within this highly sought after residential development.

The shower room is also accessed from the first floor landing.

Outside is a very generously proportioned rear garden which is a fairly low maintenance leisure area with a patio/seating area inset. The garden is also laid to lawn with shaped well stocked borders and beds housing numerous plants, flowers and shrubs.

A private drive extends the whole length of the side elevation thus creating a multi vehicle off road parking space or hard standing area.

The drive extends to the detached garage which has power, light, up and over door and service door from the main garden area.

As one would expect the property further benefits from a gas central heating system and double glazing.

The property is offered for sale with vacant possession on completion and with no chain involved, one not to be missed!
