Mayfield Road is located just a 2 minute walk from the centre of Newquay Town. Mainly used by residents only, the street offers an unusually quiet location for such a central position. Newquay Town with its vast selection of independent Cafes, Coffee Shops and Bars, improved transport links via the A30 and Newquay Airport, as well as the flexible modern nature of working, has led to an increased number of families moving to the area to enjoy the natural beauty of the coastline on the doorstep.

From the ground floor communal entrance, the property is accessed up the newly decorated communal stairwell to a private entrance on the first floor. A private stairwell within the apartment gives access to the living accommodation on the second floor.

To the rear is the bedroom which provides some coastal views up the North Cornish Coastline. The main hallway provides access to the open plan living area. The living area is presented in a good condition with a new herringbone style flooring throughout.

The kitchen is fitted in the rear dormer which gives space for floor and wall mounted cupboards. From this room is a large storage cupboard which could be opened into the accommodation but provides an unusually large amount of storage for the apartment. From this room there is also access to the family bathroom which provides a bath with shower over.

TENURE

Leasehold, share of freehold. The property will be sold on a new 999 year lease. The freehold will be passed to the 3 property owners upon completion of the final unit. A monthly service charge of £50 is proposed to cover the communal building insurance and to start a sinking fund for future maintenance. There will be no pet or holiday let restriction in the lease.
