At the heart of the home lies a spacious kitchen and breakfast room, which has been recently refitted to a high standard and provides an excellent space for everyday living and informal dining. This is complemented by a separate utility room and downstairs cloakroom.

To the first floor are five well-appointed bedrooms with both the impressive principal bedroom and bedroom two benefiting from en-suite bathrooms and built in wardrobes. The remaining bedrooms are served by a well-appointed family bathroom, creating a layout well suited to families, guests or multi-generational living.

Externally, the property enjoys a strong sense of privacy, with an attractive front garden providing an impressive approach. To the rear, the garden offers a secluded and tranquil setting, ideal for outdoor entertaining, family gatherings or quiet enjoyment throughout the seasons. The large driveway provides plenty of parking and a detached double garage offers excellent storage and further parking. With the added advantage of an electric vehicle charging point.

Despite its private and peaceful position, the property is just a short walk from the many local amenities Wroughton has to offer, including doctors' surgery, shops, both primary and secondary schools, cafés and public houses, while also benefitting from easy access to the M4 and A419.
