Ground floor, garden access and a glass of wine with your name on it...

This stylish one bedroom apartment has a few tricks up its sleeve, not least its very own private courtyard garden, accessed directly from the bedroom. Because who said apartment living means giving up your own outside space?

Built in 2016, the property feels modern, bright and ready to enjoy. Step inside and you'll find a welcoming entrance hallway with secure intercom entry, leading through to a lovely size open-plan lounge/kitchen/diner. The bay window brings in plenty of natural light, while the open-plan layout gives you room to cook, dine, relax and entertain without missing any of the conversation.

The bedroom is a great size with fitted wardrobes, but open the door and things get even better. Your own paved courtyard garden awaits, complete with a sitting area that's practically calling out for a morning coffee, an evening glass of wine or a little bit of both at the weekend. There's even a storage shed for the less glamorous essentials.

A smart, modern bathroom completes the accommodation, while permit parking adds another tick to the list.

Location? Rather handy. Grays train station is just 0.6 miles away, with the town centre and local amenities also within easy reach.

Add a long lease of approximately 114 years remaining and the very welcome words NO ONWARD CHAIN, and you've got an apartment that makes a lot of sense.

Modern apartment. Private courtyard. Great location. No chain.

Turns out you can have apartment living and your own little slice of the outdoors.
