Hangleton House, 106 Sea Lane, BN12 5HB

A rare opportunity to acquire an enchanting detached house, wonderfully situated on a fabulous plot in one of South Ferring's most sought after locations, just a few minutes' walk from the beach. There is something immediately appealing about this house. It has a wonderful sense of grandeur and individuality, from its impressive frontage and in and out driveway to the generous rooms, striking gallery landing and secluded south-facing rear garden. It is a house with space, character and presence, and all the attributes of an exceptional home. The accommodation is wonderfully spacious, with three reception rooms including a large lounge with feature fireplace, a separate dining room and conservatory/sun room overlooking the garden. There is also a fitted kitchen/breakfast room with integrated Neff appliances and a ground floor cloakroom/shower room. Upstairs, the impressive gallery landing is one of the standout features of the house, leading to three bedrooms and a family bathroom, with sea views enjoyed from the first-floor bedrooms. Outside, the secluded south aspect rear garden provides a tranquil place to relax and enviable backdrop to the house, while the generous frontage, side gardens, in-and-out driveway and large garage further add to its considerable appeal. The house retains much of its original character and charm and would benefit from modernisation and improvement. Far from diminishing its appeal, this presents an exciting opportunity to take a distinctive house with wonderful proportions, personality and a superb coastal setting and create a fantastic home entirely your own.
