

70 Upper Sutton Lane, Hounslow, TW5 0PT

£1,300 Per month

This bright and well-spaced first-floor apartment was fully refurbished in 2019 (note the photographs are from 2019 as the property is currently tenanted) and is ideal for first-time professional couples wanting to be close to transport links and within easy reach of central London. The property comprises a centrally located entrance hall providing access to all rooms. The separate kitchen includes a fridge freezer, washing machine, electric oven and hob, and is large enough to accommodate a dining table. The living room is a comfortable size, with large windows allowing plenty of natural light. The bedroom benefits from built-in wardrobes, and the bathroom includes a bathtub with an overhead shower. The property also includes a garage located to the rear of the building, with parking permitted directly outside the garage. The property is offered unfurnished and is available from the end of September.
