ROBINSONS

A beautifully presented three-bedroom terraced home, tucked away at the head of a quiet cul-de-sac in Houghton Regis, offering well-proportioned bedrooms, plenty of outdoor space and excellent local transport links.

Stepping through the front door, you arrive in a welcoming entrance hall that immediately gives a sense of space and flow. To the left is the kitchen, positioned at the front of the home, offering modern units, great storage and a practical layout for everyday cooking. Continuing through the hall, the home opens into a bright and generous lounge/dining room stretching across the rear of the property. This is the main social hub of the house, perfect for relaxing or entertaining, with a wide set of doors leading directly out to the low maintenance rear garden, paved with astro turf.

Heading upstairs, the first floor is arranged around a central landing. The main bedroom sits to the front, offering a peaceful retreat with space for wardrobes and a calm, comfortable feel. Two further bedrooms sit at the rear of the property: one well-sized and ideal for children or guests, and the other perfectly suited as a home office, nursery or dressing room. Completing the layout is a stylish refitted bathroom finished to a modern standard.
