DESCRIPTION

Halls are delighted with instructions to offer this beautifully situated residential development for sale by private treaty. The homes have been carefully designed and offer a choice of two, three and four bedroom properties.

Plot 7 is a three bedroomed detached house with a garage, driveway, and garden, situated in the most delightful rural community of Middletown.

The architect designed internal accommodation will provide a spacious open plan kitchen/lounge/dining room, utility room and cloakroom, together with 3 good sized first floor bedrooms (two with fitted wardrobes and one with ensuite) and a family bathroom.

Outside, the property will be complemented by a garden, single garage and a driveway providing additional parking.

All new Primesave homes are traditionally built incorporating the latest high-performance insulation to the floors, walls, windows and roof. Solar panels are included as standard together with an EV charging point. For your safety there are mains powered smoke alarms and a fire suppression sprinkler system. The property will further benefit from double glazed windows and doors throughout, low maintenance uPVC window frames and soffit boards, and will be presented for sale with the benefit of a 10 year structural guarantee.

The sale of Plot 7 Breidden Fields does, therefore, provide an extremely rare opportunity for purchasers to acquire a newly constructed property which will be completed to a high standard, situated in a desirable and sought-after development.
