Welcome to Ashton Road — an extended, well-presented and spacious three-double-bedroom home arranged over three floors, complete with a low-maintenance rear garden. The property sits within close proximity to Weymouth town centre, its vibrant harbour, local bus routes and a nearby supermarket, making it an ideal base for convenient everyday living.

The hub of the home is the extended kitchen/diner at the rear. This bright, social space offers a generous range of fitted cabinetry with room for a washing machine, tumble dryer and dishwasher. Double doors open directly to the garden, helping to blur the boundaries between indoors and outdoors.

The ground floor also boasts two reception rooms, adding welcome versatility. The living room at the front features a box bay window that floods the space with natural light, while the former dining room behind continues the theme of generous proportions.

Upstairs, the first-floor landing leads to a contemporary bathroom, fully tiled and fitted with a separate shower unit, bath, W.C. and wash hand basin. Decorative black-and-white tiling adds character, and a large window above the bath ensures the room feels bright and inviting.

Both first-floor bedrooms are comfortable doubles. Bedroom One enjoys a box bay window and fitted cupboards to maximise usable space. Bedroom Two includes a built-in storage cupboard and overlooks the rear garden.

The top floor hosts the third double bedroom, also enjoying a pleasant rear aspect.

The rear garden captures excellent morning light and has been designed with low maintenance in mind. A patio adjoins the house — perfectly sized for outdoor dining — and wraps around the side of the property. The remainder is laid to lawn, bordered by a mature hedge on one side and complemented by a useful shed at the back.
