PRICE £550,000

Situated on the fourth floor of a solid purpose brick-built residential block from the 1930s, is this very light and spacious three Bedroom, two Bathroom flat with Balcony, right at the heart of Camden.

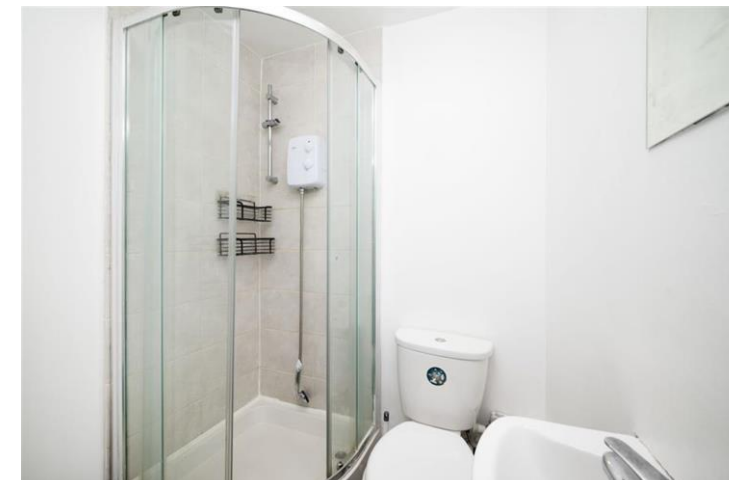

Accommodation comprises a generous Hallway, serving a WC Cloakroom upon arrival, a Shower room, then a single Bedroom with built-in storage, and a second Bathroom. From there, a corridor with further storage leads to two further Bedrooms, both double, a Kitchen behind original glazed feature opening and a lovely bright Reception with original fireplace and access to a Balcony.

This apartment is well presented and very well planned, with a layout which will suit a professional couple or family, looking for space, the bonus of an outside Balcony and a wonderful location within NW1.

Ideally located close to Chalk Farm Road and bustling World-famous Camden Market, as well as being a few minutes' walk away from Kentish Town, the property enjoys excellent access to all local amenities and transport links, with Chalk Farm tube (Northern Line) and Kentish Town West Overground both only moments away.

Early viewing is recommended.
