## DESCRIPTION

A very appealing Peter Ward 'Wells' home on the edge of this attractive residential development on the south side of Beverley. The property provides attractive accommodation amounting to nearly 1400 sq ft along with a spacious driveway and double garage. Internally, the living kitchen, study and master bedroom with a dressing area are features of note. The edge of estate position means the garden has no shadow on its south side and is not particularly overlooked. A really lovely modern house with the bulk of its NHBC guarantee remaining and an early viewing is essential. This delightful family home provides very well presented and comprehensive accommodation on an appealing and sought after Peter Ward development. With 4 double bedrooms and excellent ground floor accommodation it is sure to attract significant interest from a variety of purchasers. It is located in an end of cul de sac location and of the edge of the estate, giving the garden considerable privacy. The attractive garden is also without neighbours to the south and eastern aspect ensuring it benefits from much of the day's sun. With a study, dressing area and a double garage it also offers extra accommodation compared to many other 4 bedroom houses.

The accommodation briefly comprises: an Entrance Hall, WC Cloaks, Living Room with log burning stove, Study, a superb Living Kitchen with a kitchen island and range of integrated appliances, and a Utility Room. To the first floor is a Master Bedroom suite with a Dressing Area and En Suite Shower Room, 3 further Double Bedrooms and a Bathroom. There are open plan gardens to the front of the property, a double driveway with space for as many as 6 cars, a spacious Double Garage that has been upgraded to accommodate a gym and a rear garden with a substantial area of paved patio.

The property provides everything required to make a superb family home and an early viewing is highly recommended to fully appreciate all that it offers. We do have a 360 degree tour which will give a very useful introduction in the first instance.
