Guide Price £190,000

## Lewdown, Okehampton

Tucked away within the centre of this Devon village is this end of terrace period cottage, in need of modernisation and updating. Offering characterful accommodation with two double bedrooms, together with off road parking and large enclosed rear gardens. No onward chain.

A gabled entrance porch leads into a lounge/diner with impressive stone fireplace with heavy beam over, housing a multi-fuel stove. Other features include exposed beams, timber window seat, slate floors and timber latch doors. A timber partition separates this room which could be used for a dining table or study area with stairs rising to the first floor. A door leads from the lounge, into the kitchen with base units and space for appliances, windows to side and front. Further door into a rear utility/store, where the boiler is situated, however currently not functioning, and a door leading to outside. From here a further door into the ground floor bathroom, with electric shower over the bath, WC and basin. On the first floor are two double bedrooms.

Outside, approached over an unmade lane shared by the terrace of three cottages, leads to an off road parking area. A timber gate gives access to the rear garden, laid to lawn with many established shrubs and small trees, former vegetable plot and useful store shed.
