Guide price £500,000

A sought-after, cul-de-sac position, extensive parking/turning and an attached garage, are just a few features of this spacious, detached bungalow that offers fantastic potential to improve/extend (stpp).

Located approximately 800 metres from Avon Heath Country Park, where there are miles of beautiful woodland/heathland trails and sitting on a private and established plot of around 0.25 acres, this charming property is ideal for anyone wanting something to personalise to their own taste, or someone wanting to create their 'forever home', as many others in the area have.

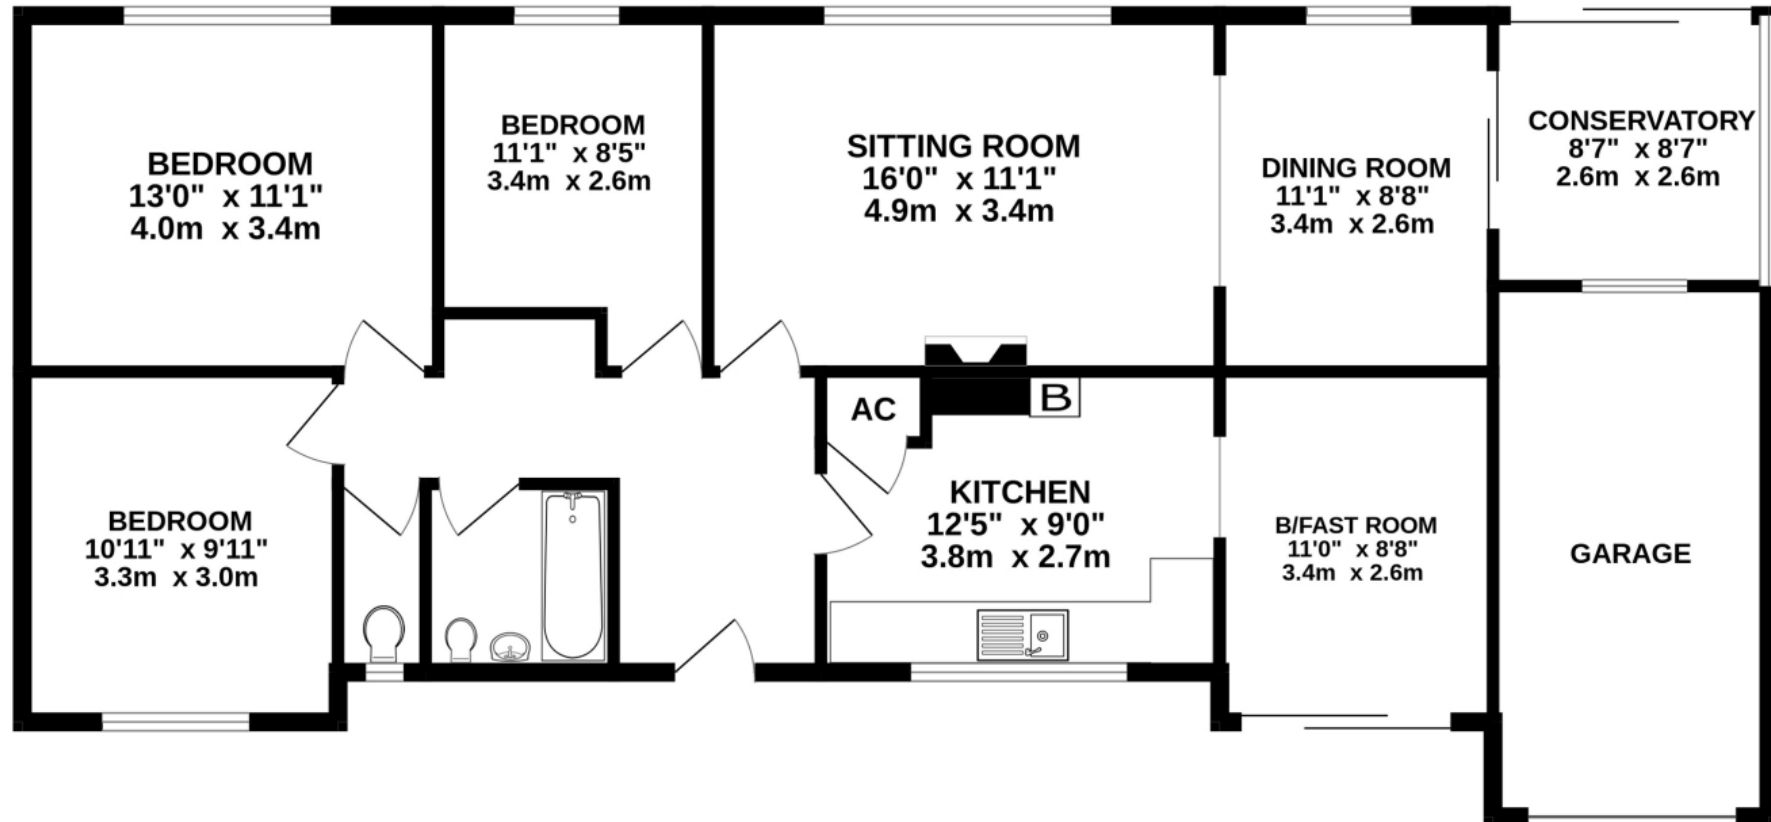

There are three well-proportioned bedrooms, a family bathroom and 2nd WC, in addition to three flexible receptions and a fitted kitchen.

Additional features include gas to the property, mains drainage/water and a very large and versatile loft space.

The plot has an approximate maximum measurement of 130' by 80' (around 0.25 acres) and the bungalow sits fairly centrally within it. There is ample space to the side where an extension (stpp) could be constructed, without affecting either the front or rear garden, both of which are incredibly private.
