### Location:

The popular residential location of Hockliffe Road boasts a variety of period dwellings and modern buildings, and is ideally situated within a short walk of the Market Town Centre of Leighton Buzzard, with its many shops, amenities and restaurants. The property also benefits from falling within catchment for many sought after local schools, and additionally is about a 20 minute walk from the Mainline Train Station, with trains to London Euston in as little as 30 minutes. This location is well situated for access to road transport links, with the nearby by-pass providing easy access to Aylesbury and Milton Keynes, and further afield via the M1 junction 11A.

### Ground Floor:

Enter via a wooden front door with wonderful stained glass being the first of many charming period features in this family home. There are stairs leading to the first floor with built in storage under, and doors to the lounge, dining room, kitchen and larder cupboard. The lounge features a generous bay window to the front and a fireplace, with ample space for a range of living room furniture. The dining room is bright and airy, and perfectly situated to enjoy views of the rear garden via double glazed windows and door which leads directly onto the decked patio. A fireplace provides a focal point, and the room could be used as a playroom or additional sitting room, if desired. The kitchen is bright and airy, with a pleasant outlook to the back garden. There are a range of wall and base level units with granite work surfaces, and there are spaces for a range of appliances. A courtesy door to the side leads to the carport. The larder cupboard provides additional storage, and would be well suited to site a downstairs cloakroom/WC should the new owners require.

#### First Floor:

The landing provides access to the loft space, four bedrooms and family bathroom. There are two bedrooms facing the front aspect, and two facing the rear. To the front is a generous master bedroom with feature fireplace and bay window, and adjacent to this is a good sized 4th bedroom. The rear facing bedrooms overlook the garden. The larger of the two also includes a feature fireplace and built in wardrobes, with bedroom three home to a built in airing cupboard which contains the central heating boiler (installed 2019). At the end of the landing is a larger than usual family bathroom fitted with a four piece suite comprising of a low level WC, pedestal wash hand basin, shower cubicle and panel bath.

#### Outside:

To the front of the property are steps leading to the front door with storm porch over. A dropped kerb allows access to the carport which runs along the side of the property and provides off street parking. Beyond the carport is an additional brick built outbuilding which is currently used as a home gym, but would make for an excellent conversion to a home office. A vast decked patio spans the width of the property, with the remainder of the generous garden laid mainly to lawn. An array of mature shrubbery fills the raised beds at the foot of the garden, with an additional raised patio area providing a nice spot to catch some morning sun. There is also a timber shed giving extra storage space.
