THE DEVELOPMENT

# A MEDITERRANEAN OASIS WITH GARDENS IN WESTERN ESTEPONA

*At Marevo Real Estate we present this boutique development in Estepona, comprising 78 elegant apartments with 1 to 4 bedrooms, priced from €399,000 to €1,099,000 with delivery expected in the fourth quarter of 2028. A project designed to combine natural beauty with the modern Mediterranean lifestyle.*

The development sits in Estepona's flourishing western district, a few minutes from the beach, the marina and the historic centre. Its soft, organic architecture, with delicate curves, green roofs and tranquil gardens, creates a true low-density oasis very close to the sea.

Every home has generous indoor and outdoor spaces, floor-to-ceiling windows and a timeless interior palette of wood, stone and relaxing neutral tones. This careful design invites natural light and the sea breeze into every home, balancing elegance with everyday comfort.

The ground-floor units enjoy private gardens and pools, while the penthouses offer large rooftop terraces with outdoor kitchens and optional plunge pools. A variety of layouts designed to adapt to different lifestyles.

The facilities are resort-style and include a heated indoor pool, a wellness spa, an outdoor saltwater pool, a gym, a coworking area and a lounge. Every home also has private parking and a storage room, and the surroundings offer schools, shops, hospitals and golf courses close by.

Thanks to its location in one of Estepona's most promising districts and its complete range of services, this development is ideal for year-round living, holiday getaways or rental investment.

At Marevo Real Estate we offer you a personalised service that unites rigour and precision with deep local knowledge and close attention. If you would like more information or to arrange a visit, we invite you to CONTACT MAREVO.
