Whitehaven Leek Road, Stoke-On-Trent ST9 9QF

Whitehaven is a stunning 1930s designed three-bedroom detached residence, which is nestled on a approximate 0.47 of an acre plot, having rural views to the rear and located in the sought after semi-rural village of Longsdon. The property boasts many features from its original design, which includes some eye-catching plaster work to the sitting room ceiling, panelling and a stain glass window within the dining room. The plot and design of Whitehaven offers so much scope to develop the current structure, or to further extend and create additional accommodation, subject to planning and building regulation approval. The property has a horseshoe driveway to the frontage, benefitting from two vehicular accesses, large lawned area to the front, double garage to the side and extensive garden to the rear. Internally two sizeable reception rooms, plus conservatory to the rear and a 16ft kitchen/breakfast room.

AML REGULATIONS

We are required by law to conduct anti-money laundering checks on all those buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of rooms, windows, doors etc are approximate only and no responsibility is taken for any error, omission or inaccuracy. This plan is for illustrative purposes only and should be used in conjunction with any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
