Description

Entering the property a bright and spacious L-shaped hallway has doors into the study, kitchen, lounge/family room, and into the ground floor cloakroom, which has been fitted in a white suite. There is plenty of storage in the hallway and on the first-floor landing, with both levels having large double-fronted, built-in cupboards. The lounge / family room is a lovely room, spacious in dimensions and naturally bright, with a bay window to the front, windows to the rear and French doors which give access into the dining room. As a nice focal point within the lounge there is a coal effect gas fire. The dining room is a good-sized room with pleasant views out over the rear garden, which is accessible via a further set of French doors. Ample storage is provided in the kitchen, with a good range of wall and base units with integrated appliances to include double ovens, gas hob with extractor above and a fridge/freezer. There is further space and plumbing for appliances and additional storage in two separate lean-to's to the side; these two rooms have useful and easy access from the front of the property through to the rear.

Rising to the first-floor level you will find four good-sized bedrooms, three doubles and a single. All bedrooms benefit from having fitted wardrobes, plus one of the bedrooms has access to its own en-suite bath/shower room, comprising of a panelled bath, shower cubicle, wash hand basin and w.c. Finishing the accommodation on this level is a main family bathroom.

Externally there is a beautifully maintained garden which commences with a block paved patio with steps down to neat lawns. There are additional steps, midway down the garden which lead to a further lawned area and an archway which extends to the bottom of the garden where you will find a paved area which houses a timber shed. Screening hedges to all sides provide a great degree of privacy. At the front, a paved driveway allows for off street parking, in addition to the detached garage. The remainder of the garden to the front is laid to neat lawns and flower beds and could potentially provided further parking if required.
