DESCRIPTION

St. Andrews Cottage is a very well-presented Grade II Listed stone-built cottage. The property is spacious and light and retains many character features including working window shutters and traditional window seats.

The property is entered via a useful entrance hall which leads through into a kitchen diner. The quality fitted kitchen features a good range of wall and base units with an oven and hob, an under-counter fridge and plumbing for a washing machine. There is ample space for a dining table, and the windows make it very light and airy, offering excellent views across the garden to the rear and the village green at the front.

The ground floor also features a comfortable living room with a multi fuel stove set within an impressive oak surround with stone hearth.

To the first floor there are two double bedrooms each enjoying a pretty outlook, and a spacious family bathroom with freestanding roll top bath and a shower cubicle.

Externally the property is complemented by generous south facing walled gardens to the rear which have been beautifully landscaped and maintained. They feature a range of different areas including, lawn, mixed flower beds, fruit trees and patio areas. The gardens are complemented by a summer house, a storage shed, a workshop and a stone-built store. The gardens are very private and they are ideal for a keen gardener.

There is on street parking available to the front of the property.

Overall, St. Andrews Cottage would make an excellent family home, second home or holiday let.
