Longton is one of South Ribble's most sought-after villages, renowned for its welcoming community, excellent local amenities and highly regarded schools. The village offers an excellent selection of independent shops, cafés, restaurants and traditional pubs, whilst the surrounding countryside provides beautiful walks and outdoor pursuits. Excellent transport links ensure easy access to Preston city centre, the motorway network and neighbouring towns, making it an ideal location for commuters and families alike.

Despite its peaceful semi-rural setting, New Longton enjoys excellent transport links, with Preston city centre just a short drive away, easy access to the A59, A6, M6 and M65 motorway networks, and regular bus services connecting the village to Preston, Southport and the surrounding areas. Preston Railway Station also provides direct rail services to Manchester, Liverpool, Birmingham, Glasgow and London, making the village an ideal location for commuters.

Having remained in the same family ownership for generations, this exceptional property has been eagerly awaited by many and is now offered to the open market for the first time in decades. The property retains a wealth of beautifully preserved original features that reflect its Edwardian heritage, including elegant decorative corncicing, impressive traditional Minton tiled flooring to the entrance vestibule, and striking stonework to the exterior. These timeless architectural details blend seamlessly with the home's generous proportions and character, creating a residence of exceptional charm and enduring appeal.

Internally, the property offers exceptional scope for modernisation and reconfiguration, presenting an exciting opportunity to create a substantial family home tailored to individual requirements. To the first floor are three generously proportioned double bedrooms and a family bathroom. Further potential exists to convert the loft into additional living accommodation, subject to obtaining the necessary consents.

Externally, the property continues to impress with useful brick-built outbuildings, including an outside

W.C., offering excellent storage or workshop potential. To the front, a generous driveway provides off-road parking for several vehicles. The sizeable rear garden is predominantly laid to lawn, providing a wonderful blank canvas for landscaping and creating an exceptional outdoor entertaining space.
