Clifton upon Teme is an exceptionally attractive village in the beautiful Teme Valley. Its historic main street is lined with an appealing collection of traditional cottages and period homes, creating a wonderfully characterful setting.

Despite its peaceful rural surroundings, the village offers an excellent range of everyday amenities, including a primary school and nursery, village shop, two public houses, an active village hall, playing fields and the impressive parish church. The property also falls within the catchment area for the highly regarded Chantry School in nearby Martley.

The market towns of Tenbury Wells and Bromyard provide a wider selection of shops and services, while the cathedral cities of Worcester and Hereford are both within convenient reach.

Description

Built in the 1970s, Walnut Lodge is a substantial and versatile family home with accommodation arranged over three floors. The property benefits from timber-framed double glazing and oil-fired central heating.

A covered oak-framed entrance opens into the porch and onward to a welcoming reception hall, with a staircase rising to the first floor and access to a ground-floor cloakroom.

The principal sitting room is an inviting space centred around an inglenook fireplace with a wood-burning stove. Sliding patio doors open into the conservatory, which has a tiled floor and timber-framed double-

glazed French doors leading directly onto the garden. From here, a further door provides access to the boiler room, with a separate utility room nearby.

An additional living room features an attractive stone fireplace and hearth, providing a comfortable second reception space, with French doors to a gravelled outdoor entertaining area.

The spacious kitchen and dining room provides an excellent setting for everyday family life and entertaining. The kitchen and dining area has timber-effect laminate flooring. The kitchen is fitted with a range of cream wall and base cupboard units complemented by solid oak worktops. Appliances include a Leisure range cooker with extractor, a built-in microwave and an integrated dishwasher.

The first floor is arranged around a central landing and provides three double bedrooms, an en-suite bathroom and a separate family bathroom.

A staircase continues to the second floor, where a fourth double bedroom offers a flexible space that could also serve as a home office, studio or guest room.

Outside – Gardens and Grounds

Walnut Lodge is set within approximately 2.25 acres (0.91 hectares), offering an unusual amount of space for a property in such a central village location.

The grounds include generous, predominantly level lawns enclosed by mature hedged boundaries, creating a private and established setting. Beyond the formal gardens is a grassed area with potential for use as a pony paddock, together with useful outbuildings and an area of mature mixed woodland.

The front garden borders the driveway, which leads to the front of the house and attached double garage. The garage is equipped with power and lighting.
