- EG1332

EG1332

Situated in the popular Southcourt area of Aylesbury, this well presented two bedroom apartment offers generous living accommodation, excellent local amenities, and the rare benefit of an exceptionally long lease with over 1,000 years remaining.

The property extends to approximately 691 sq ft including the external storage cupboard and features a spacious living room enjoying attractive views across Southcourt Brook, creating a peaceful outlook rarely found in apartment living. The main bedroom also benefits from these pleasant brook views, providing a relaxing setting to wake up to each day.

Accommodation comprises a welcoming entrance hallway, a bright and spacious living room, a separate fitted kitchen, two well proportioned bedrooms, and a family bathroom. The main bedroom is a comfortable double room, whilst the second bedroom offers flexibility as a guest room, children's bedroom, home office or hobby room. A private balcony provides an ideal space to sit and enjoy the surroundings.

Further benefits include multiple storage cupboards within the apartment together with a separate ground floor storage cupboard, offering excellent practicality for everyday living.

Residents enjoy access to a large communal courtyard garden along with several nearby green spaces and parks, making this an excellent choice for those who appreciate outdoor space without the maintenance responsibilities of a private garden.

The location is particularly convenient for day to day amenities. A Lonsdale convenience store can be found approximately a two minute walk away on the same road, whilst Hampden Pharmacy is approximately a three minute walk away. For commuters, Aylesbury Train Station is approximately a six minute drive, providing regular rail services into London and surrounding areas. Stoke Mandeville Hospital is also approximately a six minute drive away.

Combining spacious accommodation, excellent storage, attractive views, outstanding lease length and a highly convenient location, this apartment would make an ideal first time purchase, investment opportunity or home for those looking to downsize.
