SCHOOLS

Brandon lies between the villages of Claypole and Caythorpe both of which have primary schools, Claypole Church of England Primary being rated Good by Ofsted. A wide choice of secondary schools are in the area with Sir William Robertson Academy in Welbourn (7 miles/10 mins), rated Good by Ofsted, and further excellent state secondary schools in Grantham (9 miles/20 mins) and Sleaford (12 miles/20 mins); Grantham has The King's School (for boys) and Kesteven and Grantham Girls' School both extremely highly regarded grammar schools rated Outstanding by Ofsted. Sleaford also has state grammar schools, Carre's Grammar School, and Kesteven & Sleaford High School (for Girls), as well as St. George's Academy, all rated Good by Ofsted. The Lincoln Minster Schools (Prep and Senior) offer exceptional independent education in Lincoln, and there are other private schools in Grantham and Newark.

AGENTS NOTE

Please note these particulars may be subject to change and must not be relied upon as an entirely accurate description of the property. Although these particulars are thought to be materially correct, their accuracy cannot be guaranteed and they do not form part of any contract. Some measurements are overall measurements and others are maximum measurements. All services and appliances have not and will not be tested. Whilst we believe the area of the property has been accurately calculated, any prospective buyer who considers this feature to be particularly important is strongly recommended to have the site measurements checked by their own surveyor before submitting an offer to purchase.

GROUND FLOOR

1ST FLOOR

2ND FLOOR

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
