Introduction

This quaint market town has a lot to offer. As does its surrounding area: a number of other equally picturesque towns and villages can be found nearby, each of which hosts a variety of events and is home to a number of attractions. Just minutes up the road from the development site is Alsager Gardens, an area of open parkland ideal for walking your four-legged friend. Also nearby, Milton Park is a beautifully kept green space, with a wonderful rose garden.

The countryside surrounding Alsager is ideal for relaxing strolls. The Salt Line is a mostly flat 1.8 mile route that follows the line of a disused railway through farm- and woodland. The Borrow Pit Meadows, adjacent to the Salt Line, are about 40 acres and includes another 1.25 miles of undulating paths that snake through the area's mosaic of habitats, including meadows, wetland and scrub.
