Located within convenient access of the town centre, this is a **refurbished inner-terrace house ready for immediate occupancy**. A deceptive facadé hides a surprisingly spacious range of living accommodation that includes combined lounge and dining room as well as a re-fitted kitchen on the ground floor. The first floor includes two main bedrooms with an additional third bedroom from one of these rooms. In our opinion, this allows the purchaser to create either a dedicated infants room or master bedroom with dedicated dressing room or even office leading off.

A particular feature of the property is the enclosed rear garden that, unlike many other properties, is totally private and can be secured. There is also a useful outbuilding.

In summary, this is a great property for first time buyers as well as potentially small families, or simply those wishing to have good quality accommodation ready to move into.

DRIFFIELD

Driffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods.

Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.
