DESCRIPTION

Glen Rise is a cul de sac containing a small number of semi detached houses of traditional design combining to create an attractive setting. The position is ideal being about 1/2 mile from the village centre, a little further into the market town of Altrincham and within the catchment area of highly regarded primary and secondary schools including Wellington School. Number 10 in particular benefits from being situated at the head of the cul de sac with an open aspect to the front.

Constructed to a traditional design the accommodation has been extended in recent years to provide well proportioned living space which needs to be seen to be appreciated. Upon entering the property there is a large enclosed porch which in turn leads onto the welcoming entrance hall. Off the entrance hall there is access to a cloakroom/WC and also to the annex to one side and sitting room to the other. The sitting room benefits from a focal point of a living flame gas fire and with open views down the cul de sac. Positioned to the rear of the property is an impressive L shaped living dining kitchen fitted with a contemporary range of units complete with central island and with ample space for living and dining suites and with doors leading onto the rear garden. The extension has provided a superb annex which briefly comprises a further sitting room with adjacent fitted kitchen off which there is a double bedroom with adjacent dressing room and en-suite shower room/WC.

To the first floor there are four well proportioned bedrooms, the principal benefitting from fitted wardrobes and all are serviced by the family bathroom/WC fitted with a contemporary white suite with chrome fittings.

Externally to the front of the property the driveway provides off road parking and there is gated access to the side.
