

The Street, Pulham St Mary, Diss

Guide Price £400,000

3 1 2

Step inside to a welcoming entrance hall leading to a spacious yet cosy lounge, complete with a warming fireplace and wood burner. A dual-aspect dining room at the front provides flexible space for entertaining or a dedicated family area. Both rooms connect to an inner hallway, which serves a convenient downstairs WC and a contemporary kitchen with direct access to the rear garden. Further enhancing practicality, a separate utility room is located off the kitchen, featuring an external door to the side. On the first floor you'll find a landing providing access to three well-proportioned bedrooms and a tastefully replaced family bathroom. A unique feature of this home is the staircase leading to a second-floor room, currently utilised as a dressing room, but offering potential as a fourth bedroom or a dedicated home office.
