

The accommodation

This beautifully designed spacious one-bedroom, ground-floor apartment is situated in the historic Moor Hospital, dating back to 1883 and remaining as a commanding presence of the Lancaster skyline ever since. The conversion to create the Residence development has kept many of the spectacular period features that make this place a truly unique offering, combining modern luxury and history. The apartment is tastefully decorated and ready to move in, internally comprising a welcoming entrance hallway with cupboard including extra hidden storage, an impressive lounge / diner complete with additional storage cupboard and patio door leading out onto the paved terrace, a luxury modern fitted kitchen complete with Neff integral appliances, a three piece bathroom suite and a good sized double bedroom. It is to be noted that the apartment building is pet friendly, there is a great community of dog owners here which is a fabulous aspect of the property for animal lovers. The Residence is a lovely, friendly and safe community with several social groups including gardening, book club, wine tasting, walking, singles, dog-lovers and an active resident's Whatsapp group with regular information.

Let's look outside..

The private terrace faces the recently landscaped inner courtyard and provides an inviting space for a table and chairs. The flat does also come with allocated parking (RO70) with plenty of visitors parking also available at The Residence

The location

Ideally positioned for Williamson Park and the iconic Ashton Memorial, The Residence offers easy access to a plethora of amenities in the historic city of Lancaster as well as a popular local convenience store within a five minute walk. It also serves as an excellent base for those seeking a holiday home, with proximity to the national parks of the Lake District and Yorkshire Dales. Within close reach are high street shops, numerous restaurants, bars, supermarkets, well-regarded schools, the Royal Infirmary, and a West Coast mainline railway station. Local buses provide regular transportation around the city, and the location benefits from easy access back routes to the Universities of Lancaster & Cumbria. Furthermore, for commuters, the M6 motorway is just over three miles away.

The situation
