St. Davids Road

The property is spacious throughout and offers versatile accommodation, ideal for family living. Briefly, the property comprises: four well proportioned bedrooms, bright lounge/dining room, kitchen with patio doors, main bathroom and further shower room. It's worth noting that bedroom two is part of an extension and could function ideally as an annex style space - there's a secondary access to the side of the garage and the bedroom has direct access onto the garden.

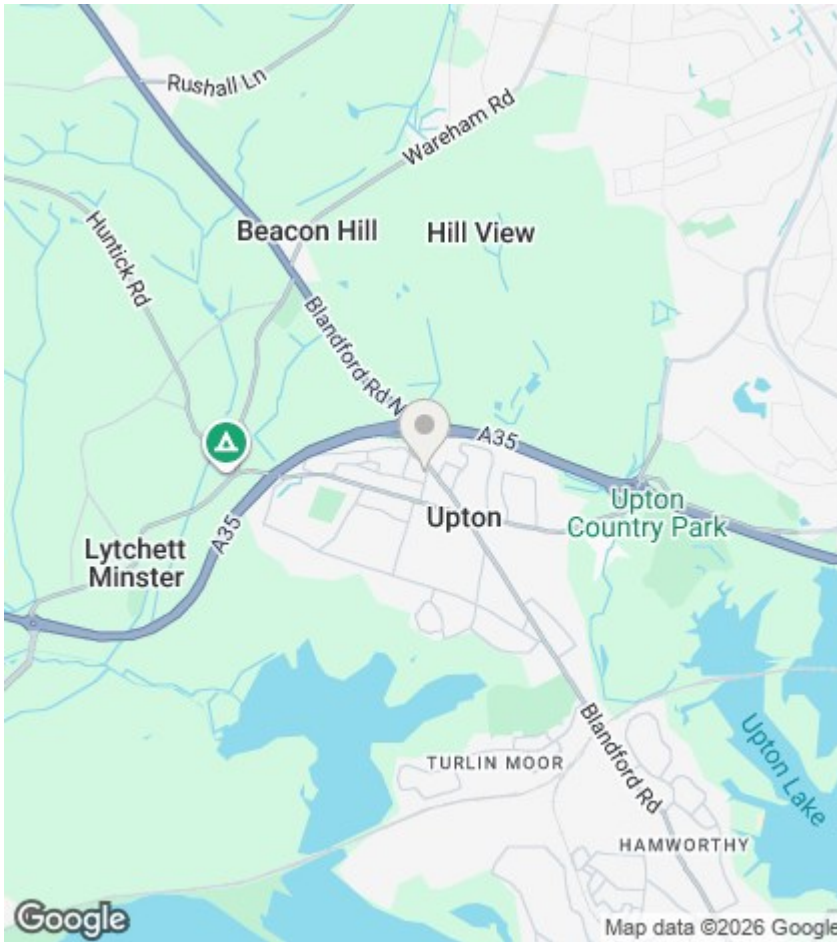

The detached garage is a particular feature of this property - it's currently being used as a workshop and has both light & power. Further benefits include off-road parking for several vehicles, gas central heating, UPVC double glazing and a feature wood burner in the lounge.

Located within the ever popular 'Beacon Park' Development of Upton, this home is ideally positioned to access a host of favoured amenities to include Aldi, a frequent bus route and favoured local schooling.
