Shared Ownership £160,000

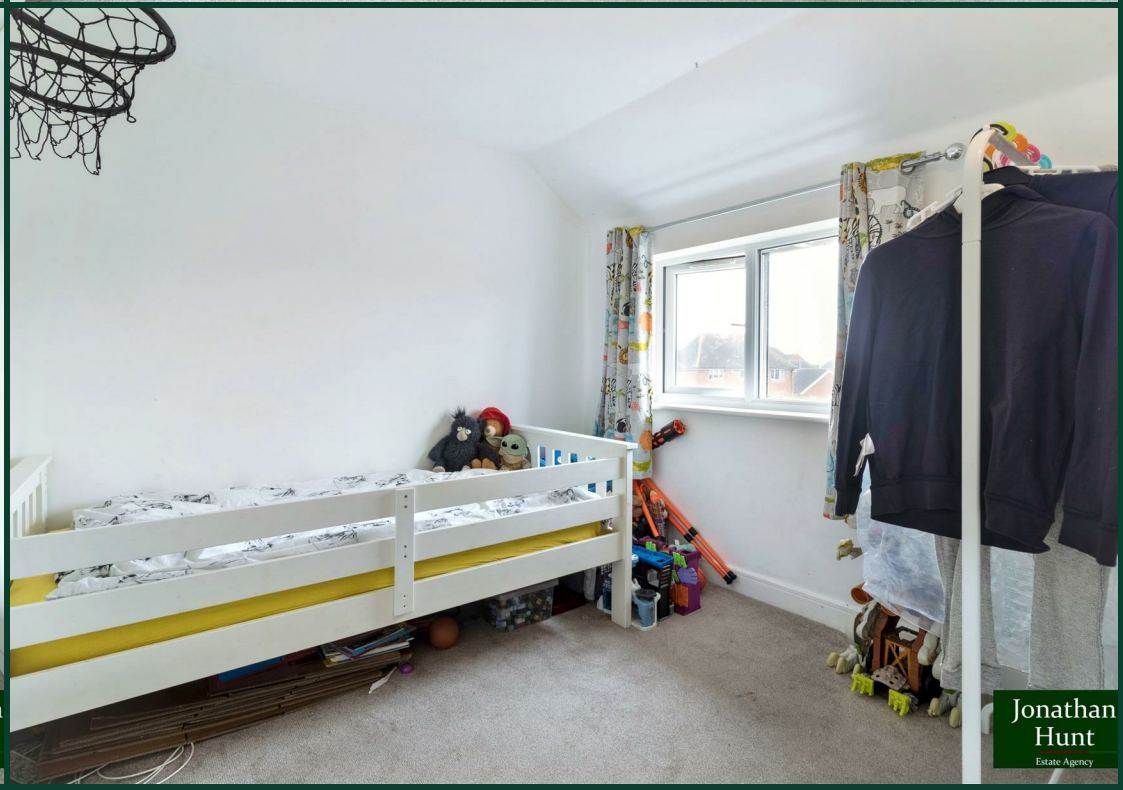

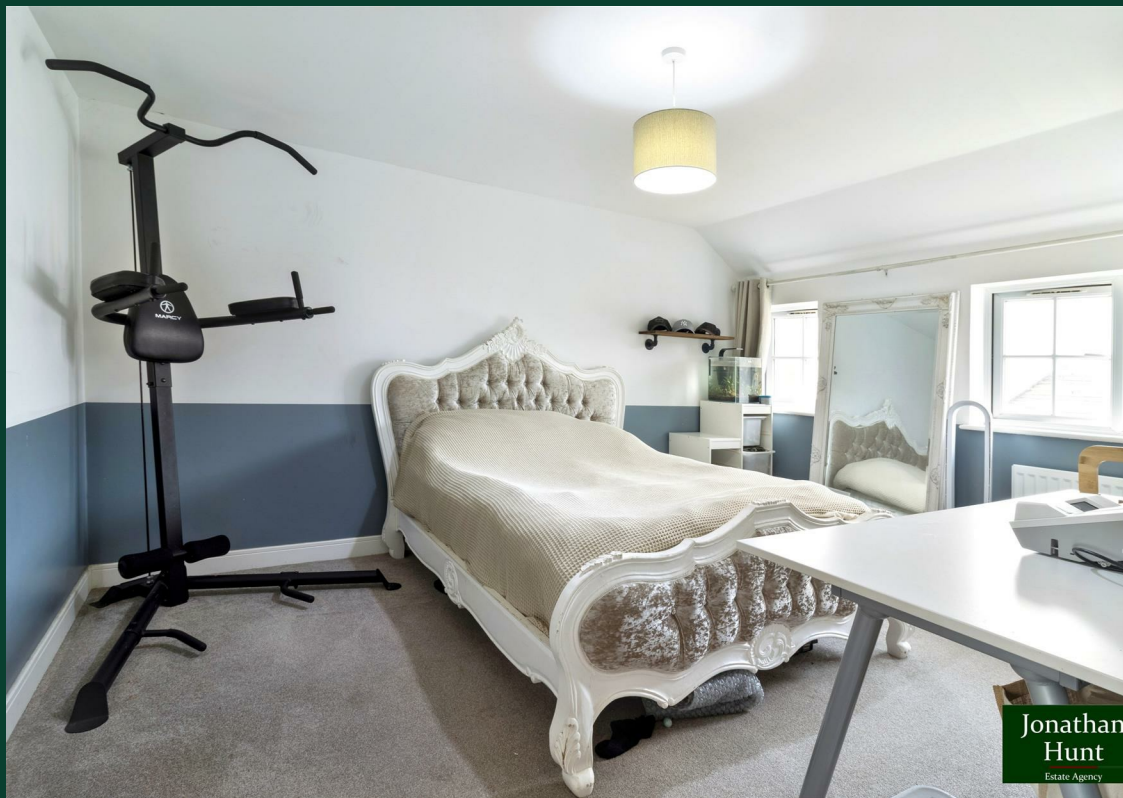

5 Neale Drive, Buntingford, SG9 9RF

An extremely spacious two-bedroom home set within this highly regarded development, offered under the shared ownership scheme. This is a fantastic opportunity for first-time buyers to get onto the property ladder, with the option to purchase a 40% share at £160,000, or to buy the property outright at £400,000. Shared ownership criteria applies, so please contact the agent for full details.

The property is very well presented throughout and offers far more space than you might expect, including a large tandem driveway providing off-street parking for several vehicles — a real bonus on a modern development. The rear garden is a good size too, ideal for anyone wanting outdoor space without too much upkeep. Inside, the ground floor offers a bright and spacious lounge/diner, a modern and well-appointed kitchen, and a handy ground-floor cloakroom. Upstairs, you'll find two very generous bedrooms and the family bathroom. Everything feels light, comfortable and ready to move straight into.

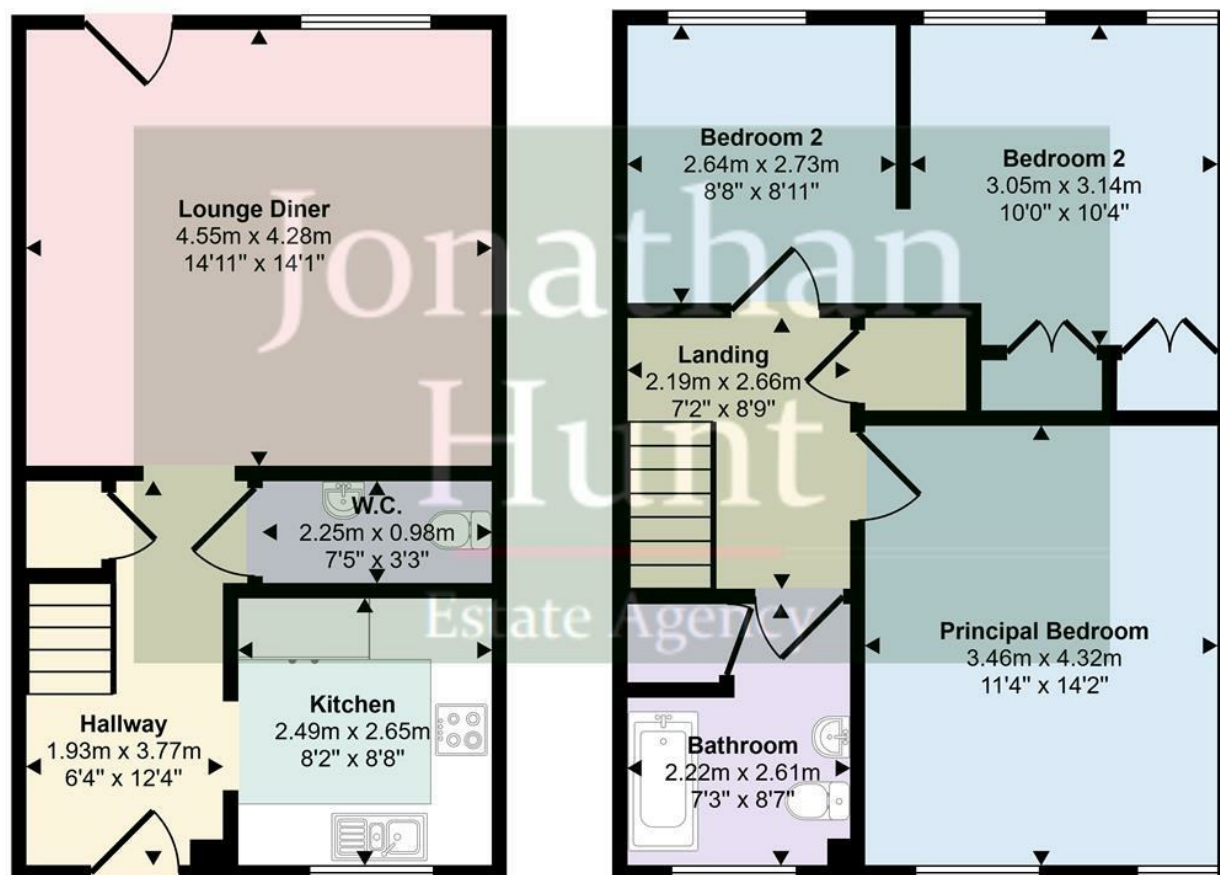

Overall, this is a great chance to secure a well-proportioned home in a sought-after location — whether you're looking for an affordable first step with a 40% share or a full purchase.
