Entrance Hall

A uPVC door with a decorative double-glazed insert opens to the entrance hall, which has laminate flooring, a ceiling light point and a radiator. A staircase gives access to the first floor landing and a timber door leads to the downstairs WC.

Downstairs WC

This room has a continuation of the laminate flooring and a white suite comprising a low-level WC and a wall-hung hand basin with mixer tap. It has a ceiling light point, a radiator and a uPVC double-glazed window providing natural light from the side elevation.

Living Room

Accessed via a timber and bevelled glazed door, the living room has a splayed uPVC double-glazed bay window. The focal point of the room is gas fire set to a granite hearth and surround. There is coving to the ceiling, two ceiling light points and a useful under stairs storage cupboard with hanging hooks, shelving and a ceiling light point. This cupboard also houses the electric fuse board.

Kitchen Living/Diner

This room is positioned at the rear of the property with a lovely open-plan aspect. The kitchen area has range of high gloss wall and base cupboards, drawers, roll-edge Quartz worktops with matching upstands and an inset stainless steel sink unit with an extendable hose-style tap. Integrated appliances include an oven and induction hob with an extractor hood, combi oven/microwave, fridge freezer, dishwasher and bin storage. This room is home to the Worcester central heating boiler. It has ceiling downlighting and LVT flooring throughout. The dining/living area has two Velux windows providing natural light and a set of aluminium framed bi-folding doors, with integral blinds, providing access to the rear garden. There is plenty of room for furniture, ceiling downlighting and two radiators. A timber door leads to a utility area.

Utility

There is a continuation of the LVT flooring, a uPVC window to the rear elevation, plumbing for an automatic washing machine and space for a freestanding fridge freezer and dryer. This area has a ceiling light point, a radiator, an extractor fan and a useful side entrance with a uPVC double-geared door providing access to the side of the property.

First Floor Landing

From the entrance hall, a staircase rises to the first floor landing, where there is a uPVC double-glazed window to the side elevation and a ceiling light point. Access can be gained to partially boarded loft space via a pull-down ladder.
