What the agent says ... “ ”

Located at the top of Arundel with (very) easy access to the main trunk road of the A27, is this purpose built 2 bed apartment. Unusually for a 1st floor apartment, this property has its own private garden to the rear and a pretty front garden (with shared access).

The accommodation is accessed via an external staircase with a following half set of stairs in the hall. The kitchen is approaching the end of its natural life and will need some Tender Loving Care from an enthusiastic buyer. However, it is a twin aspect room with lots of natural light and is a very comfortable size. The lounge-diner is a large room with twin windows to the front, there is a substantial main bedroom, and the 2nd bedroom is also a double room. Finally, there is a shower room.

The property is currently subject to a periodic residential tenancy at £1100 PCM. Notice is served to close the tenancy on 13th April 2026. If purchased by an investor, the incumbent tenant has some expressed interest in remaining for a further short period of around 6-9 months. The tenancy is professionally managed by Southernbrook Lettings. Nevertheless, the property is offered for sale with no forward chain and viewings are recommended.
