Description

An exceptional four-bedroom detached period home, enviably positioned on one of the area’s most sought-after riverside roads, just moments from the River Thames. Offering approximately 1,450 sqft of naturally spacious accommodation, the property combines an impressive existing footprint with outstanding potential for further enlargement (STNC).

The ground floor is arranged around a welcoming entrance hall and features two generous reception rooms. To the front, an elegant square bay window creates a bright and characterful living space, while the rear reception room opens directly onto the private garden through glazed patio doors. A separate kitchen with adjoining utility area, guest WC and useful side storage complete this floor.

Upstairs are three well-proportioned double bedrooms, a family bathroom and a versatile fourth bedroom or study. Period features enhance the home’s inherent charm, while its generous proportions present considerable scope to extend across the ground floor and into the loft, subject to the necessary consents.

Outside, the property benefits from off-street parking, convenient side access and a delightful private rear garden—an increasingly rare combination in such a desirable location. With its detached setting, substantial natural footprint and exceptional potential, this is a rare opportunity to create a truly outstanding long-term family home moments from the Thames. Viewings are highly recommended.
