Energy Efficiency Graph

- Modern and spacious two bedroom house
- Central Southsea location
- Gas central heating
- Large upstairs bathroom
- Two reception rooms
- South facing rear garden
- Double glazing
- No onward chain

New to the market is this very well presented two bedroom house in central Southsea.

Refurbished in 2019, the property is presented in excellent condition throughout and offers the next owner a blank canvas on which to put their own stamp.

On the ground floor there are two well-proportioned reception rooms as well as a good-sized kitchen.

Upstairs, the property has two large double bedrooms and a spacious modern bathroom, the property having been converted from an original three bedroom layout to create a large two bedroom property.

The rear garden is South facing and offers good space with both paved and planter areas.

Stansted Road is situated in a popular and vibrant part of Southsea. Just half a mile from Albert Road and roughly the same distance from the train station.

This great property is offered with no onward chain and should not be missed.
