Reservation Process

If you wish to reserve a plot, we require a £1000 reservation fee. This will reserve the property for a period of 35 days (8 weeks) to enable you to secure your mortgage and exchange contracts. If this does not happen for any reason, we reserve the right to resell the property to another party. If the reservation is cancelled, you will receive a maximum of £250 refund subject to costs incurred. Before we can reserve a plot and take it off the market, we will ask to check the following:

Finances

We will need to confirm your financial position. If you have already sourced a mortgage, we will just need to confirm the details and will also require your mortgages advisors' name and contact number.

If you have not yet sourced a mortgage deal, our mortgage consultant will be happy to speak to you about the best options for your circumstances. There are no obligations off the back of your initial conversation with them, and they have access to specialist lenders who deal with new builds properties. Please note, there are specific terms and conditions when purchasing a new build property, and not all lenders/products will be suitable.

These properties are also eligible for **GREEN DEAL MORTGAGES** which may save you money on the rates associated with new build energy efficient homes. Please ask the sales advisor for more information.

Any fees payable will be explained in your initial no-obligation appointment before you choose whether to use our Mortgage Services.

Solicitors

We are happy to recommend a solicitor to act on your behalf, one who is familiar with the site to speed up the process. This is because we aim for exchange of contracts within 35 days. If exchange does not happen within this timeframe, you will be at risk of losing the property. You are under no obligation to use our recommended solicitor.

ID

We require all buyers to comply with the Anti Money Laundering regulations and will send you a link through via your mobile phone or you can come into branch to adhere to the regulations. This requires you to have an in-date passport or driving licence. The solicitors and mortgage advisors will also ask you for these documents so have them out ready.

Confirmation of your sale

If you have sold your property, we will ask to check with your estate agent the chain details and will consult with them throughout the process.

Sales Assist

We can offer you a sales assist option where we can reserve a plot for 8-week subject to the sale of your property. This is only available on selected plots and terms and conditions apply. Please ask the sales team for more information.

Once everything above has been agreed our sales manager will talk through the reservation form with you, including all the details about the plot, house type and what is included in the sale at the site office and ask you to pay the £1000 reservation fee.
