The property is approached through timber and aluminium electric gates over a golden gravel driveway, providing more than ample parking and turning space, leading to the front entrance and detached annex. The plot extends to 0.58 of an acre and is mainly laid to lawn with a range of mature trees and hedging giving a high degree of privacy. Large decked patio area sweeps around the rear of the property, accessed through the bi fold doors in the Living Dining Kitchen and Living Room, providing ideal opportunity for alfresco dining and enjoying the lovely aspect. Gravel pathway leads down to the rear of the gardens where a children's play area can be found with wood chip surfaces and picket fencing.
