Description

Upon entering 24 Shortcroft, the welcoming porch provides access to both the garage and the entrance hallway. The hallway benefits from a useful storage cupboard and leads through to the spacious lounge/diner.

The lounge/diner is a bright and inviting space, featuring a striking brick-effect feature wall and a large front-facing window which allows an abundance of natural light to fill the room. A door leads through to the kitchen, which is fitted with a range of units and benefits from a further door providing access to the side of the property.

From the lounge, an inner hallway provides access to the shower room and all three bedrooms, offering a practical and well-planned layout.

The principal bedroom has the added benefit of a conservatory to the rear, creating a versatile additional space and enjoying far-reaching views across the surrounding countryside — a particularly lovely feature of the property.

Whilst 24 Shortcroft would benefit from modernisation, it offers considerable potential for the new owner to create a splendid family home, tailored to their own taste and requirements.

The property is offered for sale with no onward chain.
