Property Description

Offered for sale is this three-bedroom property arranged over three floors, presenting an excellent refurbishment opportunity for buyers looking to add value and personalise a home to their own taste.

The accommodation is set across three spacious levels, providing flexible living arrangements and well-proportioned rooms throughout. While the property is in need of modernisation, it offers strong potential and a solid layout for improvement.

A key feature of the sale is that the property will benefit from the installation of solar panels and an air source heat pump, offering purchasers a more energy-efficient home and the opportunity to reduce future running costs.

This is an ideal purchase for investors, developers or owner-occupiers seeking a project with long-term potential, enhanced by the addition of modern renewable energy features.
