THE GRANARY

The Granary is an attractive barn conversion that has been carefully maintained and improved by the current owners during their nine-year ownership. The property offers approximately 2,122 sq ft of well-planned accommodation, together with a detached double garage, landscaped gardens and extensive parking.

Combining vaulted ceilings, exposed timbers and modern comfort, it provides a highly practical country home with excellent flexibility, including ground-floor bedroom accommodation.

THE ACCOMMODATION

Internally, The Granary provides a well-balanced arrangement of accommodation over two floors, with character and practicality carefully combined throughout. The ground floor is centred around a welcoming hall, which gives access to the principal living spaces, study and ground-floor bedroom suite. The lounge is a particularly impressive room, with a vaulted ceiling, exposed timbers, oak flooring, fireplace and French doors opening directly to the garden. A further family/dining room sits between the lounge and kitchen, creating an excellent space for everyday living and entertaining, again with a natural connection to the outside seating areas.

The kitchen/breakfast room forms the heart of the home and is fitted with a range of traditional units, granite work surfaces, central island, AGA and integrated appliances, all set beneath exposed beams. A separate utility room and cloakroom provide useful practical space and direct external access.

The ground-floor bedroom is a valuable feature, offering flexibility for guests, multi-generational living or those seeking single-level accommodation, with an adjoining en suite shower room. A separate study provides a dedicated home office or hobby space.

To the first floor there are three further bedrooms, including a principal-style double bedroom with en suite shower room, together with two additional bedrooms and a family bathroom. The bathroom is fitted with a freestanding slipper bath, creating an attractive and comfortable first-floor arrangement.

Throughout, the property feels light, warm and carefully maintained, with the exposed timbers, oak joinery and garden views giving the internal accommodation a strong sense of character, quality and individuality.

GARDENS & GROUNDS

Externally, The Granary is approached over a gravelled driveway leading to generous parking, turning space and a detached double garage. The gardens have been thoughtfully landscaped to create a series of attractive and usable outdoor areas, including paved terraces, mature planted borders, lawned areas and private seating spaces.

The principal reception rooms open naturally to the garden, giving the house a strong indoor-outdoor connection. The grounds provide colour, privacy and interest, while remaining manageable for buyers seeking country living without the upkeep of extensive acreage.
