39 Wash Road Hutton

Brentwood | | CM13 1BX

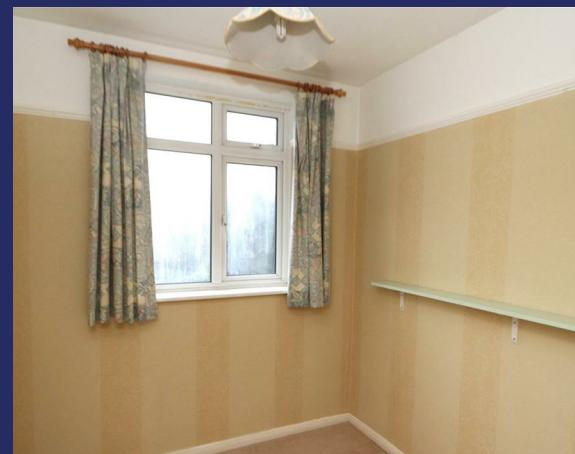

Situated in a convenient location in Hutton, approximately 1.2 miles from Shenfield railway station and within walking distance of local shops, bus services and reputable schools, is this attractive bay-fronted four bedroom semi-detached family home, offered with no onward chain.

The accommodation is arranged over three floors and commences with a welcoming entrance hall leading to a bright and spacious lounge/diner extending the full depth of the property, featuring a bay window to the front and sliding patio doors opening on to the south easterly rear garden. The adjacent kitchen is positioned to the rear and offers excellent scope for redesign or extension, subject to the necessary planning permissions.

To the first floor are three well-proportioned bedrooms, two of which are generous doubles, together with a shower room and W.C. A staircase rises to the second floor where the loft has been converted to create a large additional room with elevated views over the rear garden, offering flexible use as a principal bedroom with potential for an en-suite, or alternatively a playroom or home office.

Externally, the 40 deep south easterly rear garden is predominantly laid to lawn. The frontage offers off-street parking via a driveway and shared side access leads to a garage with an up-and-over door. Further benefits include double glazing and significant potential for refurbishment or reconfiguration, allowing purchasers the opportunity to put their own stamp on this appealing home.
