A thought from the owners... We have lived at 3 Old College Cottages since November 2001. The house was just over 2 years old when we bought it and throughout the years since we've moulded and shaped the house and garden to turn it into the home we always wanted. Our time here has been a happy one and we will leave with fantastic and wonderful memories. We hope the new owners of 3 Old College Cottages have the same, and that they enjoy living here as much as we have.
