Set within the desirable Conyers Green development, this impressive five bedroom detached home built to the Kettlewell design by Bellway, offers generous modern living and is available with no onward chain. A double detached garage and substantial driveway sit to the side, giving the property strong kerb appeal from the outset.

Inside, a wide and welcoming hallway introduces the ground floor, complete with useful understairs storage and a WC. The layout provides two comfortable reception spaces: a main lounge and a flexible second room that works perfectly as a study, playroom, or snug. Stretching across the rear, the open plan family kitchen, dining, and living area forms the standout feature of the home. Large bi-fold doors frame views of the garden and flood the space with natural light, while the shaker-style kitchen offers integrated appliances and a refined finish. A separate utility room sits just off the kitchen, adding everyday convenience and providing side access.

Upstairs, a generous landing leads to five well-sized bedrooms and a contemporary four piece family bathroom. Two bedrooms enjoy sleek ensuite shower rooms, and the master benefits from fitted wardrobes.

Outside, the home features a broad block-paved driveway, a detached double garage, and low-maintenance artificial to the front. The rear garden includes a large patio, lawned area, and access to the garage from the side.

The location is ideal for families, with highly regarded primary and secondary schools close by, Yarm Railway Station within easy reach, and excellent links to the A19. Yarm High Street is around 1.5 miles away, offering a vibrant mix of cafés, restaurants, bars, boutique shops, and scenic riverside walks, along with nearby amenities such as Yarm Medical Centre and local convenience stores.
