 **Maguire Baylis**

This beautifully converted former 1880s Mission Hall offers a rare opportunity to own a distinctive detached home in the heart of Shortlands Village, combining historic character, privacy and everyday convenience just moments from local shops and within easy walking distance of the station.

Step inside to a breathtaking 35' open-plan reception room, where the vaulted ceiling, exposed beams and original Victorian parquet flooring create an immediate sense of grandeur, character and history.

This striking space is ideal for both entertaining and relaxing in style. A second reception room adds valuable flexibility and could be used as a study, workspace or additional lounge. With its own separate entrance, it also offers potential for multi-generational living or a more independent live/work arrangement.

The property offers three generous double bedrooms and three beautifully finished bath/shower rooms, combining modern comfort, practicality and elegance throughout.

Outside, secluded Mediterranean-style courtyard gardens to the front and rear provide peaceful, low-maintenance spaces for outdoor relaxation and dining. A mature grapevine, olive trees, established planting and hanging baskets add further charm to this one-of-a-kind home.
