FULL DESCRIPTION

Lawson are delighted to market this beautifully appointed detached luxury family home, situated in one of Plymouth's most sought-after residential locations. Alwin Park is a development of just nine similar modern properties, with electric gates opening into the development and a driveway providing parking for several vehicles.

The property benefits from well-maintained accommodation arranged over two floors, comprising a covered entrance porch with a PVCu double-glazed front door leads into the entrance hall with engineered Oak flooring and carpeted stairs to the first-floor landing with painted newel posts, spindles, and handrail. Double doors open into the sitting room, a beautiful triple-aspect space with a wood-burning stove, moulded ceiling, ceiling roses, and a large bay window to the front elevation. A downstairs cloakroom comprises a low-level WC and wash hand basin.

A doorway leads through to the kitchen/breakfast room, which has been recently refitted to an exceptionally high standard with a range of matching base and eye-level storage units, with quartz work surfaces and under-counter lighting, magic corner pull out storage cupboards, a five-burner Neff gas hob, oven and matching combination microwave oven and grill with plate warming drawer below. Bosch dishwasher, a sink unit with mixer tap, quartz splashbacks, space and plumbing for an American-style fridge freezer, and a contemporary radiator. Double doors lead into the conservatory, of PVCu construction with wood-effect flooring and French doors opening onto the garden.

Off the kitchen, there is a utility room with quartz work surfaces, plumbing for a washing machine, space for a tumble dryer, and a matching cupboard housing the wall-mounted Vaillant gas boiler, window to the side elevation and a doorway to the rear. The dining room has wooden flooring, a window to the front elevation, and a moulded ceiling. From the dining room, double doors lead to a generous family room with French doors to the front and rear elevations and carpeted stairs to the first floor. This versatile space, together with Bedroom Two, could easily be used as a self-contained annexe if required.

From the main hallway, carpeted stairs lead to the first-floor landing with moulded ceiling and pull-down loft access.

Bedroom one is a spacious double with two windows overlooking the rear garden with a moulded ceiling and an en-suite bathroom fitted with a five-piece suite, including an oversized shower cubicle with direct-feed shower, wash hand basin, jacuzzi bath, low-level WC, bidet, inset spotlights, and a window to the rear elevation. Bedroom two is another large double room with windows to the front elevation, fitted wardrobes, and inset spotlights and an en-suite shower room comprising a low-level WC, pedestal wash hand basin, and an oversized shower cubicle with Redring electric shower unit.

A doorway then leads into bedroom three, a further double room with a window to the front elevation. Bedroom four is another good-sized bedroom with a window to the front elevation, a moulded ceiling and inset spotlights. Bedroom five has a window to the rear elevation and a moulded ceiling.

The family bathroom has been recently refitted to a high standard and comprises a modern three-piece suite including a low-level WC, wash hand basin with storage beneath, and a panel-enclosed bath with direct-feed drencher shower, contemporary tiling to the walls and floor and two heated towel rails.

Externally, the property is approached via electric gates leading to a herringbone brick driveway, providing parking for several vehicles and access to the large garage with an electric roller shutter door, power, and lighting.

The front garden has a flagged pathway, mature shrub beds and borders, and low-maintenance lawns. A gate from the driveway provides access to the rear garden. The rear garden is beautifully landscaped, with flagged pathways, large lawns, and mature shrubs, all fully enclosed by fencing and hedging. There is also a pergola and, at the top of the garden, a large modern south facing decked terrace leading to a summer house with power and lighting.

The gated communal areas within Alwin Park are managed by the residents who contribute £30 per month to the current maintenance fund, further information available upon request
