7 Copper Meadows

Redruth, TR15 2NX

£229,950

Built less than twenty years ago by a well known local contractor, this mid terraced house has much to commend it. The property is well presented and has an electric heating system using conventional radiators and this is complemented by double glazing. To the first floor there are two bedrooms, both with open outlooks particularly at the rear which is towards the north coast. The shower room is well equipped and has a sun-tube. The loft space which houses the boiler has plenty of storage with boarding, electric and a fold-away loft ladder. To the ground floor an entrance porch with a cloakroom leads through to a well appointed kitchen/diner with stairs to the first floor and then on to a lounge. This room overlooks the very tidily presented rear garden which is certainly worthy of mention, being well stocked and thoughtfully laid out with a summerhouse. To the front there is a hard standing for one vehicle and further communal parking. Copper Meadows is a small and select development and gives easy access to the main Redruth to Falmouth road leading down to Lanner village which has shopping facilities. For those who enjoy country walks, access is given to Carn Marth which is the second highest point in the county.
