Comprising two exceptional detached residences, outstanding leisure facilities, beach frontage, valuable mooring rights and an unrivalled waterside position, this is a truly unique lifestyle estate. Lovingly transformed by the current owners, every element has been thoughtfully designed and finished to an exceptional standard, creating a property equally suited to multi-generational living, luxury holiday accommodation, private family occupation or a combination of all three. Opportunities of this calibre are exceptionally rare.

The Boathyde -

The principal residence extends to over 3,000 sq.ft. of beautifully appointed accommodation arranged over three floors.

Designed to maximise the breathtaking estuary views, the heart of the home is an impressive open-plan kitchen, dining and family room, where extensive glazing frames the ever-changing waterscape. The contemporary kitchen is fitted with an extensive range of quality cabinetry, integrated appliances and a substantial central island, while large sliding doors provide a seamless connection to the landscaped terraces and gardens beyond.

A generous sitting room also enjoys magnificent water views, complemented by a separate utility room and a stylish ground floor shower room. An additional reception room, currently used as a snug completes the ground floor.

The first floor offers four beautifully proportioned double bedrooms, each with its own luxurious en-suite shower room. The principal suite enjoys panoramic estuary views together with direct access onto an impressive glass-fronted balcony, providing the perfect vantage point from which to enjoy spectacular sunrises across the water.

Occupying the entire second floor is a magnificent fifth bedroom suite with a luxurious en-suite shower room, offering complete privacy for guests or extended family.

Throughout, the exceptional quality of finish is immediately apparent, with bespoke glazing, contemporary fittings, high-specification bathrooms and carefully considered

living spaces that embrace the remarkable waterfront setting.

The Moorings -

Occupying its own private position within the estate, The Moorings is a beautifully refurbished detached residence offering exceptionally versatile accommodation.

Currently arranged to provide four generous double bedrooms, each with a luxury en-suite shower room, the property also benefits from a substantial study/snug which could easily serve as a fifth bedroom if required.

The ground floor centres around a superb open-plan kitchen, dining and living space with bi-fold doors opening directly onto the gardens, creating an ideal environment for modern family living and entertaining. A separate utility room, shower room and an additional reception room complete the accommodation.

Presented to an exceptional standard throughout, The Moorings is ideally suited as luxury guest accommodation, a high-quality holiday let, independent accommodation for extended family or a multi-generational residence.

Leisure & Grounds -

Further enhancing the estate is an outstanding detached leisure building extending to over 840 sq.ft. Currently configured as a substantial games room. There is also a separate gymnasium and a unique circular storage room, which offers exceptional versatility and, subject to any necessary consents, exciting potential for conversion into self-contained ancillary accommodation.

Approached through private entrance gates, the estate opens onto an extensive gravelled driveway providing parking for numerous vehicles.

Beautifully landscaped gardens surround both residences, incorporating expansive lawns, entertaining terraces, mature specimen trees, raised planting beds and a variety of seating areas, all positioned to enjoy uninterrupted estuary views.

A defining feature of the estate is its beach frontage together with valuable mooring rights, providing direct access to the Torridge Estuary for boating, paddleboarding and a host of other waterside pursuits.

Adding further character is the castellated fort, an exceptional and distinctive feature that reinforces the individuality of this remarkable coastal estate.
