General Description

Smiths Property Experts offer to the market this two-bedroom home on the edge of the popular Charnwood market town of Shepshed, with no upward chain. The property boasts a driveway with off-road parking for two vehicles, and an excellent plot with a generous lawned rear garden. Built in 2023 by Jelson Homes, the property is situated in a peaceful location and is being sold with the remainder of its 10-year NHBC warranty. We believe the property represents an excellent value proposition for the eventual purchaser in comparison with current 'new build' offerings in the area.

The Property

The property is fitted out to an excellent standard. The accommodation comprises an entrance hall, a modern kitchen with a full range of appliances, and a generous living/dining room with direct garden access via glazed double doors. There is also a downstairs WC. Upstairs, from the central landing, are two good-sized double bedrooms and a three-piece bathroom.

The Outside

The property is set back from the road behind low-maintenance front gardens. There is a driveway on the right-hand side. To the rear are secure gardens laid to lawn with a patio seating area affording a sunny aspect.

The Location

The property is situated in a new development by Jelson Homes, located off the well-regarded 'Tickow Lane,' and within walking distance of the town centre and in the catchment area for excellent local schools. The M1 motorway junction is easily accessible, making the location ideal for commuters, while the towns and cities of Loughborough, Leicester, Nottingham, and Ashby-de-la-Zouch are conveniently reachable. There is an array of amenities, including a doctor's surgery, supermarkets, pubs, and an established High Street.
